Peritel ZX Spectrum

Interface type: RGB Interface for Sinclair ZX Spectrum
Manufacturer: CGCT Industries (France)
Year: 1984
Compatible with: Spectrum 16K,48K, +48K

Notes:
This interface takes the data bus signals "V" and "U" and convert them into RGB + sync. It has been designed to connect a Spectrum to TV with SCART connector.

It also provides +5 Volt to connect the SCART pin 16 (blanking) and +9 Volt to pin 8 (TV - AV)
